

**FEEDBACK ON CURRICULUM  
2021-22**

Devgad College is affiliated to university of Mumbai. All the programmes offered by the college are required to implement the syllabus prescribed by the University. Therefore, there is limited scope to reform and amend the curriculum. Teachers, students and alumni are significant and valuable stakeholders of education system. Their genuine feedback is valuable for continual improvement in the curriculum. College has collected feedback on curriculum from these stakeholders and the findings are enclosed herewith.

➤ **TEACHERS' FEEDBACK**

The following points are observed from the feedback by faculty members on curriculum.

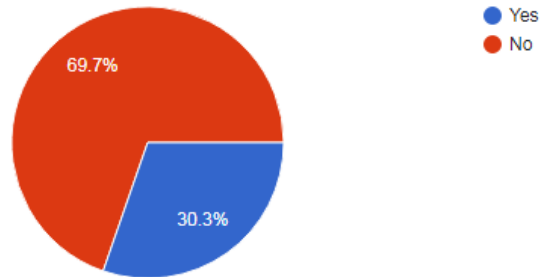

1. Some faculty members reported that the curriculum is very good as it helps to improve students' knowledge.
2. Some of them have stated that the curriculum is needed to be restructured and contemporary trends should be introduced. The changing requirements of industries, market, society and stakeholders should be considered while syllabus designing. Online education, global scenario, competence of students etc. factors are demanding the changes in curriculum.
3. Few opined on need of improvement in the curriculum in terms of practicality and applicability to make learners competent for employment.

Have you ever actively contributed in the University Curriculum Designing Process?

33 responses

Aims and objectives of the syllabi are well defined and clear to teachers and students as well.

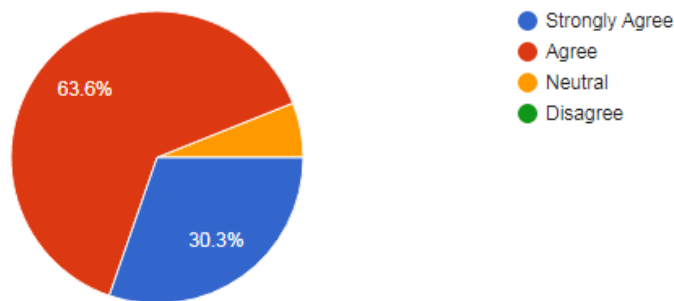

33 responses

The depth of the course content is adequate to have learning outcomes as expected in syllabi.

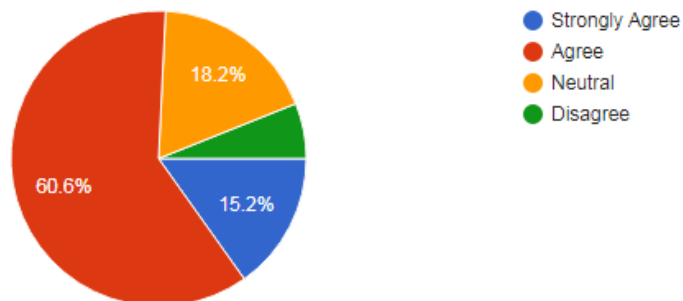

33 responses

Syllabus is well designed to bridge the gap between industry standards /current global scenarios and academics.

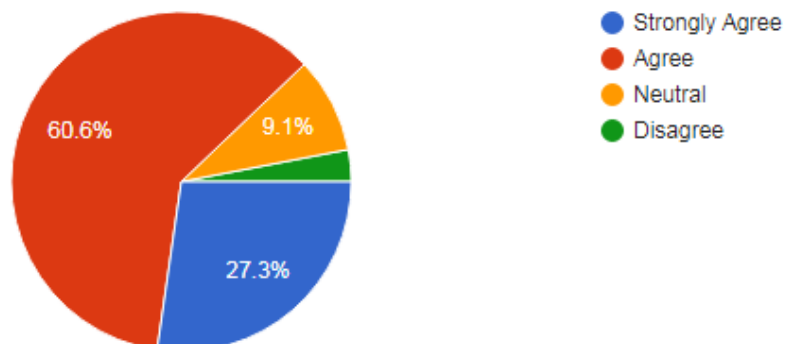

33 responses

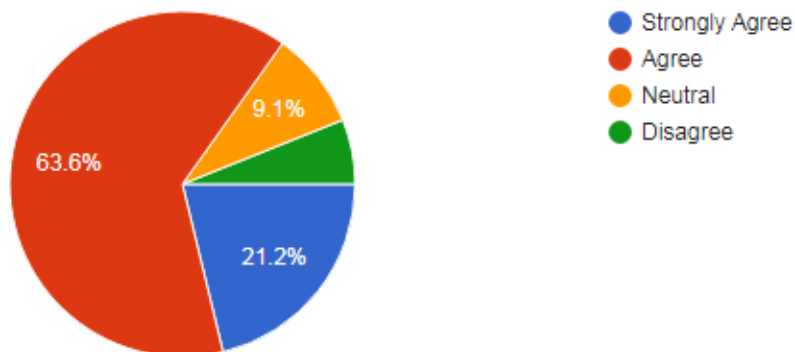

Timely completion of syllabus is possible in the stipulated time.

33 responses

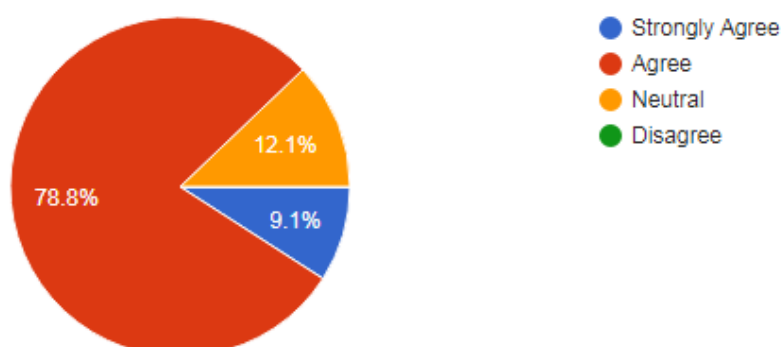

The recommended texts/ reference books are easily available in the market and college library.

33 responses

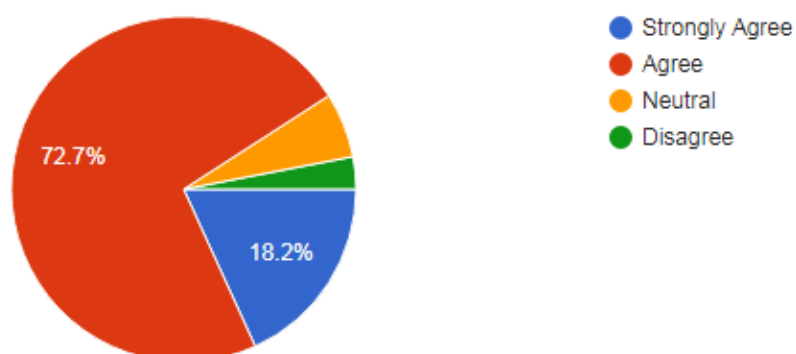

The programme and curriculum is enriched as compared to similar programme offered by other universities.

33 responses

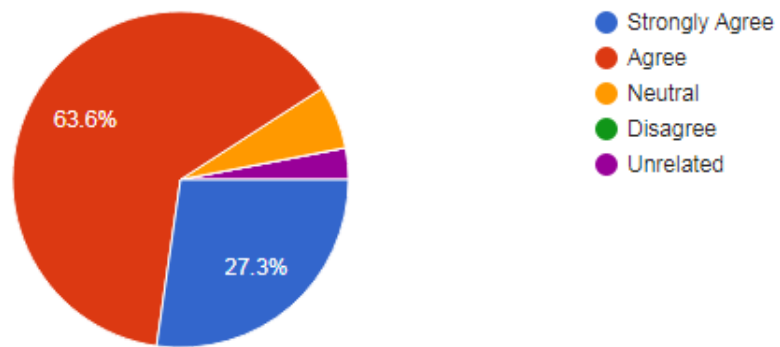

The designed experiments stimulate the interest of students in the subject and deepen their understanding through relating theory to practice.

33 responses

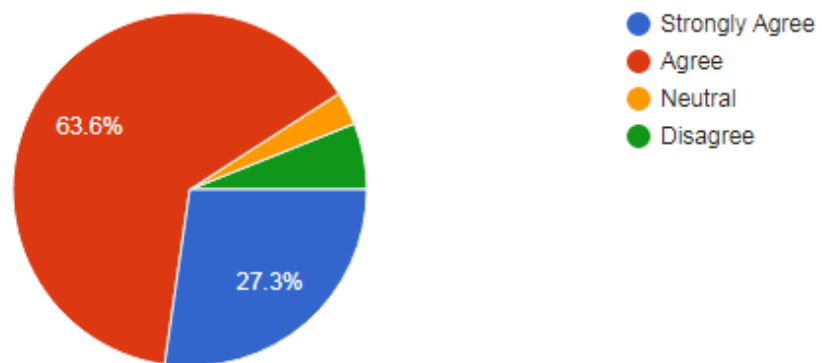

The practicals enable to develop experimental, design, problem solving and analysis skills of the students. (For courses having practical component only)

33 responses

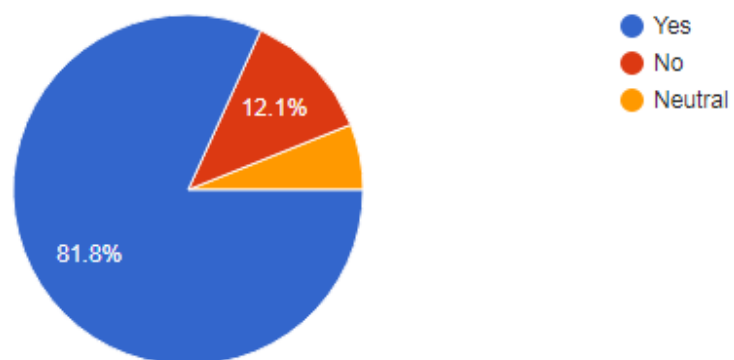

The curriculum ensure student participation in learning process

33 responses

In your opinion, the curriculum has to be updated/ revised for online conduct of lectures during pandemic

33 responses

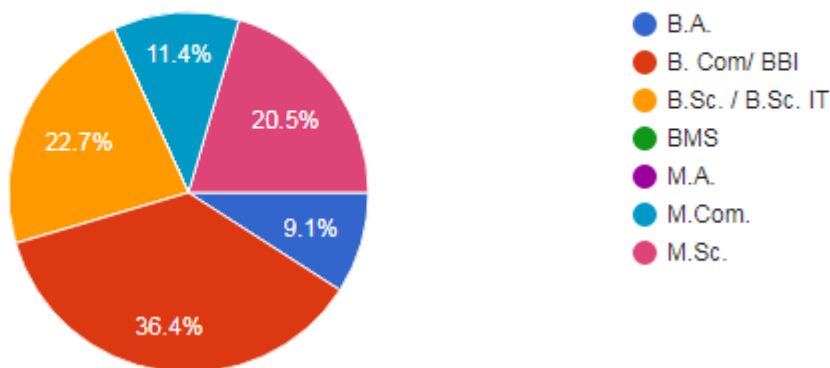

➤ **ALUMNI FEEDBACK**

The major points noticed from the feedback given by alumni of the college regarding curriculum are as follows:

1. Most of the alumni have pointed out that the curriculum designing is good, student centric and market oriented.
2. Some of alumni responded that curriculum must be skill oriented with more practical component.
3. A few alumni have suggested that the introductory course regarding competitive examinations should be involved as a part of curriculum.
4. Opinion on necessity to include corporate and industry skills for employability also recorded by the alumni.
